Pastor's Letter

“To offer hope to our community and world through the Good News, and to make disciples of Jesus Christ”

based on Matthew 28:19

Dear Caldwell Church family and friends, I hope everyone is staying healthy. I hope your time with family and friends are times you cherish and always remember

As fall [Autumn], begins and a new school year; even with COVID19 still lingering, we remember and continue to pray for our students ,teachers, staff, and all involved with our children. Leaders: Teachers, Coaches, Staff members and workers, all make a difference in a student's life, helping to make learning fun, exciting, and life changing; help make a positive difference in our children's lives.

As we prepare for fall events, our congregation turns our attention back to Sunday school, youth activities, which means Bible studies, and fellowship and prayer groups. These activities help to build our faith and form us into being disciples of Jesus Christ.

October is a busy month. This coming Sunday **October 3rd** is **World Communion Sunday**. This is a Special Sunday; we will receive Holy Communion as usual, while emphasizing the Church around the World as the One Body of Christ. The Church is called to be a witness for Jesus Christ to help transform the world. Our new district superintendent Rev. Laura White, will be our guest, bringing the message at the 10:30 a.m. service, and will be helping to serve the Communion also. (8:00 a.m. Pastor Jeff)

October is Bible month (everyday should be a Bible day). As a church, we need to realize, how important the Bible is for our understanding, who God and how we are to live. Christian education is very important for all ages. We are a Church family, and our responsibility [Mission] is **“To offer hope to our community and world through the Good News, and to make disciples of Jesus Christ.”** This is our mission statement. We need to keep on task with this goal.

Please remember to pray for our Church family in Oct- Dec, we are preparing for **the year(s) ahead**, as we review, renew and possibly revise **our Mission; looking for ways for new Visions** for the ministry of Caldwell Church to our community. I, as pastor along with the SPRC, Finance and other TEAM members have

been working on and turning in forms; some are still in the works.

In early September I met with the District Superintendent Rev. Laura White. The Staff Parish Relations Committee (SPRC) has worked on paperwork and will meet with the D.S. on Monday Oct 11th, for a pre-conference review. The Finance Committee is working to finalize a budget for 2022. As I often say; I am thankful for your faithfulness and generosity to the Lord and Caldwell UMC. Thank you for serving The Lord!

The Leadership (Nominating) committee is reviewing leadership needs; if called upon, please prayerfully consider serving where your skills are needed. This is a work in progress. We will vote to approve these forms **at Charge Conference on Sunday, October 24th at 5 pm; held here at our Church (We are the host church for several other congregations in our area.)** Everyone may attend the meeting; please be supportive, as we continue our ministry together.

In October and November, we celebrate and remember our Christian heritage as a part of the Reformation. Pastor Jeff has been leading a study on the Bible and its history, looking at some of the Reform leaders in the church are: **Wycliffe, Tyndale, Huss, Luther, Calvin, and Wesley to name a few; these reformers were called “protestants,”** they were not attempting to start a new church, but protesting how the Church was operating; they were trying to reform the Church that existed. They wanted to **help transform it** into what they believed God had intended the Church to be; a people of faith in God, and Jesus Christ. **God is transforming our lives and the Church. May life's changes be filled with God's wonder, love, and grace.**

Remember, we are a Church in mission with a vision, as our purpose statement declares: We are -

“To offer hope to our community and world through the Good News, and to make disciples of Jesus Christ.” How do we see God working?

Yours Truly in Service to Christ and the Church

Know Our Christians Symbols

Sacrament of Holy Baptism

The United Methodist Church recognizes two sacraments, baptism and communion. These two acts have a special place in the church because Jesus commanded them and participated in them.

Baptism is the ordinary means of rebirth and initiation into the life, death, and resurrection of Jesus Christ. In baptism, we reject the power of sin and begin our journey as disciples of Jesus Christ. Baptism starts that process of breaking us away from sin's power, but it is sanctifying grace throughout our lives that actually accomplishes it. *The sacraments do not convey grace either magically or irrevocably, but they are powerful channels through which God has chosen to make grace available to us.*

Through the waters of baptism, we are cleansed of our sin and born into a new way of living. Whether an infant or adult, this is just the beginning.

Methodists continue this practice by baptizing the children of those who reaffirm their baptismal vows, receiving them into God's mighty acts of salvation. Just as infants are members of their human families, but are unable to participate in all aspects of family life, so baptized infants are members of the Church — the family of faith — but are not yet capable of sharing everything involved in membership."

All those who receive the sacrament in a United Methodist congregation are baptized members of the Church universal, the denomination of The United Methodist Church, and their local congregation, regardless of age.

World

In 1963, Harvey Ball, a graphic artist and ad man from Worcester, Massachusetts, created the smiley face symbol we've all come to know. Throughout the years, the smiley face has become one of the most well-known symbols in the world. That recognizable yellow circle with black dots for eyes and a simple curve for a genuine and pure smile.

When you smile, neurotransmitters called endorphins are created that cause feelings of pleasure.

Yellow is used as the color of the smiley face because it's a symbol of cheerfulness.

The Smiley Company office in London, England, is worth more than \$55m per year. When the world seems in a disarray, it can be hard to find your own smile. Enjoyment might seem like a preposterous thing at times, but science tells us that finding lightness in the dark can make you less anxious, annoyed, and sad.

St. Francis of Assisi – October 4, 2021

Saint Francis of Assisi, the acclaimed Catholic friar, philosopher, mystic, and teacher, is celebrated by the Feast of Saint Francis of Assisi every October 4.

Once, it's said, he spoke to birds who then flew into the sky in the shape of a cross.

Stigmata, the wounds of Christ appearing on the hands, feet, and side, appeared on St. Francis of Assisi two years before he died.

St. Francis was one of a family of seven children.

St. Francis is widely credited with setting up the first nativity scene in 1223 to celebrate Christmas.

St. Francis of Assisi instructed followers to "Preach the Gospel at all times and, when necessary, use words" — he thought actions spoke much louder.
